All CWMs/ECR

Sub: Role of consultant of ECR on GST.

A consultant has been hired for advisory to ECR on matters relating to GST. A consultation was arranged on 07.09.2017 for ECR Hqrs., SEE & SPJ in the forenoon. The post lunch session was arranged at Const./MHX for Const. and DNR Division. Nodal JAG level officer Shri Kumar Uday was also present.

Unfortunately, it seems that at CAO/Con./MHX, contractors from S&T had also been called for the meeting. It may be appreciated that role of consultant is restricted to ECR and its officers. Matters pertaining to GST are to be dealt with as per guidelines of Railway Board and GST Cell ECR. Any clarification to contractors has to be given only by the concerned Railway officers. Further, officers may be directed to carefully peruse guidelines of Railway Board and GST Cell/ECR since many queries raised have already been addressed therein.

Ado.
